### Shuttles in Riesa and vicinity

*After the Covid19-Lockdowns many bus companies have left the business.*

*Now there are fewer companies left and the prices have been raised (sometimes dramatically), due to higher gas-prices and higher fees for the drivers and busses.*

Please contact Daniela Schulze - [accommodation@fvg-riesa.de](mailto:accommodation@fvg-riesa.de) - what you need and she may organize shuttles for you and give you the prices. These prices all will be different due to the circumstances, times of the day, number of people in your teams etc.. This is why we cannot publish any shuttle costs here.

We suggest - if possible - to use your own buses for all transport in Riesa and the region from the accommodation to the **WT Energiesysteme Arena** and back - etc. This may be much cheaper than to fly and pay for Riesa-shuttles. This depends off course of the distances.

### But there is also a much cheaper alternative:

People arriving by plane at Dresden-, Leipzig- or Berlin Airports, please check with the websites of the airports and Deutsche Bahn (German Trains) for transport from the airport to the Central stations (in all three Cities there are airport busses to the Central station) and from

- Dresden Hauptbahnhof = Dresden Hbf (Central Station) to Riesa there are hourly direct trains - 35 minutes
- Leipzig Hauptbahnhof = Hbf (Central Station) to Riesa - to Riesa there are also hourly direct trains - 40 minutes
- Berlin Hauptbahnhof (Central Station) to Riesa - the trains need about 2 to 3 hours depending the changing of trains. All trains are well published and announced in the stations.
- Deutsche Bahn - German trains: [www.bahn.de](http://www.bahn.de) On the upper navigation right corner you can select the English or probably your language. So check for example "Dresden Central Station (Dresden Hbf) to Riesa". You should book the tickets online.
